CRITICAL CARE NURSING  
Spring, Summer 2015

Provider approved by the California Board of Registered Nursing, Provider # CEP #15122
for 48.0 Contact Hours

Course Overview

This course is designed to help course participants succeed in obtaining the knowledge and skills needed for basic Critical Care Nursing. A pathophysiology approach will be utilized to emphasize concepts for cardiovascular and pulmonary disorders. The program will also cover neuro, renal, and endocrine systems as well as case studies.
