ENROLLMENT

# CRITICAL CARE SYMPOSIUM

## Current Trends in Critical Care

### DESCRIPTION

The symposium presenters will discuss various aspects of care and treatment modalities for the critically ill patient.

### OBJECTIVES

Upon completion of the program, the successful participant will be able to:

- Explain how to appropriately measure abdominal compartment syndrome
- Identify device-related causes of nosocomial pressure ulcers in the ICU
- Discuss nursing management of the patient undergoing therapeutic hypothermia
- Explore the new and critical role nurses play in healthcare delivery
- Identify the role of the nurse in the implementation of effective glycemic control in the ICU setting
- Describe new strategies in the management of fulminant liver failure

### CREDIT

This course is approved for:

- 6 hours continuing education BRN (#00489)
- 6 hours continuing education for LCSW (PCE #1960)\*

\*Course meets the qualifications for 6 hours of continuing education credit for MFTs and/or LCSWs as required by the California Board of Behavioral Sciences.

### REFUNDS

Full refund with cancellation by February 10.  
Strictly NO REFUNDS after February 10.

For additional information, call (626) 915-6242.
