

Steps To Becoming an AHA Instructor - 2015 Guidelines - Updated 8.2017

Key Medical Resources (KMR) ACLS or PALS Terry Rudd – educate100@aol.com BLS Katie Wellins – Katie Wellins@msn.com
Each instructor training and course is \$300 Instructor candidates taking a 2nd course in another discipline will receive a \$50 discount

Follow these steps to become an AHA Instructor: - All courses require completion of online instructor essentials \$30.00 at onlineaha.org.

1. Have a current PROVIDER card in the discipline (i.e., ACLS, BLS, PALS, PEARS Heartsaver) you are requesting to teach.
2. Approval to align with an authorized American Heart Association Training Center that is accepting new instructors. An instructor candidate must have a training center willing to let them align to take the instructor course. Training Centers are at www.heart.org/eccclassconnector. **An individual must meet with Terry Rudd to determine whether you may align with Key Medical Resources, Inc. TC ID CA20801.** Contact Terry at (951) 520-3116 or educate100@aol.com
3. Have the appropriate credentials/license/experience to teach the level (PALS, ACLS).
BLS instructor requires at least 16 years of age. ACLS and PALS - RN, RCP, Paramedic, MD, DO, PA
- 4. Attend an instructor course (1 day) with instructor package in hand. (may be available for purchase from Key Medical or www.channing-bete.com)**
5. Complete an Instructor Candidate Application with Training Center alignment established and approved.
6. Observe and participate in an actual course with a Regional Faculty or Training Center Faculty Person
 - a. BLS Provider
 - a. ACLS and PALS (provider and update/renewal)

(Contact Terry Rudd for ACLS/PALS and Katie Wellins for BLS to arrange course)

7. Successful monitoring for teaching your first course or any additional courses as required by the instructor and/or training center.

Once these requirements are met, your completed paperwork will be sent to the training center that you will be aligned. The aligned training center provides the approval for you as an instructor and will generate the instructor card per training center protocols. **Alignment request is obtained through ahainstructornetwork.org after requirements are complete.** To align with Key Medical Resources, Inc. (CA20801) approval and acknowledgement must be given by Terry Rudd.

Instructor Requirements

An AHA Instructor Course teaches the methods needed to effectively instruct others in resuscitation courses. The AHA requires that Instructors be at least 16 years of age for Heartsaver Instructor and BLS Instructor courses. ACLS and PALS Instructors must be at least 18 years of age and licensed or certified in a healthcare occupation where such skills are within the provider scope of practice. For KMR, MD, DO, PA, RN, RCP, Paramedic (AHA Program Administration Manual, Latest Version).

Instructor Course Completion: Instructor candidates must demonstrate

- ✓ Satisfactory performance of the skills listed in the Course Instructor Handbook for the course.
- ✓ A thorough knowledge of course organization; course content, including appropriate BLS skills; Instructor responsibilities; and the AHA guidelines for the specific discipline.

Instructor Card Issuance Requirements

Instructor status is granted after an Instructor candidate successfully completes the Instructor Course and meets the following requirements:

- ✓ **Within 6 months of successfully completing the Instructor Course**, the candidate successfully demonstrates his or her teaching skills while being monitored during a Provider or Provider Renewal Course. TCF can extend the time requirement to 1 year if there are extenuating circumstances.
- ✓ Aligns with a TC, which issues the Instructor card.
