

Featured Speaker: Gen Guanci,
MEd, RN-BC, CCRN

Gen Guanci is a talented educator who has presented nationally and internationally on a wide variety of education and healthcare topics. She is sought after for her ability to take complex subjects and make them easily understood. She has her master's degree in Adult Education as well as certification in Critical Care Nursing (CCRN) and Nursing Professional Development (RN-BC). In addition, Gen holds a certificate of advanced graduate studies (CAGS) in Organizational Development. She has held various positions ranging from staff nurse to Director of Organizational Education. At present, Gen is a consultant with Creative Health Care Management. She is the current Secretary of NNSDO and a past president of the NNSDO Affiliate, North East Organization of Nurse Educators (NEONE). Gen is a published author on Magnet topics.

Foothill Presbyterian Hospital and Citrus Valley Hospice*

NNSDO Nursing Professional Development Certification Preparation Course

Overview

This two-day certification preparation course will prepare participants for the American Nurses Credentialing Center (ANCC) generalist certification examination in nursing professional development. This course includes an extensive review of the staff development curriculum and a practice exam. This course is a good foundation course for those new to staff development in addition to those wishing to sit for the certification examination.

CNE Credit

This continuing nursing education activity was approved by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

16 contact hours will be awarded to participants who attend this program in its entirety.

Objectives

1. Explore the knowledge and strategies needed to successfully prepare for the certification exam for Nursing Professional Development.
2. Review the foundations of practice for Nursing Professional Development.
3. Identify the steps and key elements in the educational process.
4. Compare and contrast the various roles of the Nursing Professional Development practitioner.
5. Discuss critical elements for managing educational activities.
6. Develop a personalized plan for continued preparation by completing and reviewing results
